SOCIAL VALUE SPONSORSHIP PACKAGES

HOW TO MAKE A HUGE BUSINESS AND SOCIAL IMPACT WITH BCS26 FROM YOUR SOCIAL VALUE FUND:

BCS26 is a highly innovative event concept and that innovation doesn't stop there. All of the original BCS26 planned events, give participants the chance to fundraise for their chosen charity, the aim being to give them bonus points and time to help them in their event and in some cases Beat GB Medallists. We wish to offer you the opportunity to use your Social Value Fund to not only:

- Provide an event platform for said fundraising.
- But also work with the GB Olympians to enable good causes to multiply your pledged sums.

How? You will be controlling and funding places on Athlete Experience Days the cost of which is always multiplied at auction. If you visit www.crowdfunder.co.uk/gbcharitydays you see numerous examples of this...but as a snapshot this is the impact of the donated places.

Funded places £1230 Donations Generated at Auction £3774

- **Percentage Increase 206%**
- **£3.06 generated for every £1 funding**

Our guarantee is that good causes will receive at the barest minimum 100% of your Social Value Sponsorship, as well as ensuring that Good Causes promote your donations.

This is a fund you will be in control of...please call 07866 316 228 to discuss.
